## UTSU Student Commons – Student Life Room

Clubs & Leadership Development, Mentorship & Peer Programs, and Orientation, Transition & Engagement will host various workshops and events in the [UTSU Student Commons at 230 College Street](#), at the intersection of College St and Huron St. In this space, our events will be hosted in the Student Life Room on the fifth floor in Room 556/558. This room can be accessed both by elevator and stairs.

Gender-neutral bathrooms, water fountains, and other spaces to rest are on each floor in the Student Commons. To learn more about the space, you can visit the [UTSU Student Commons website](#).

### To get to the Student Life Room:

1. Enter the Student Commons entrance facing Huron Street.

2. Go down the main hallway past the UTSU Commons Help Desk to the back doors. You will enter the elevator by passing through two sets of doors to the back right corner of the main floor.

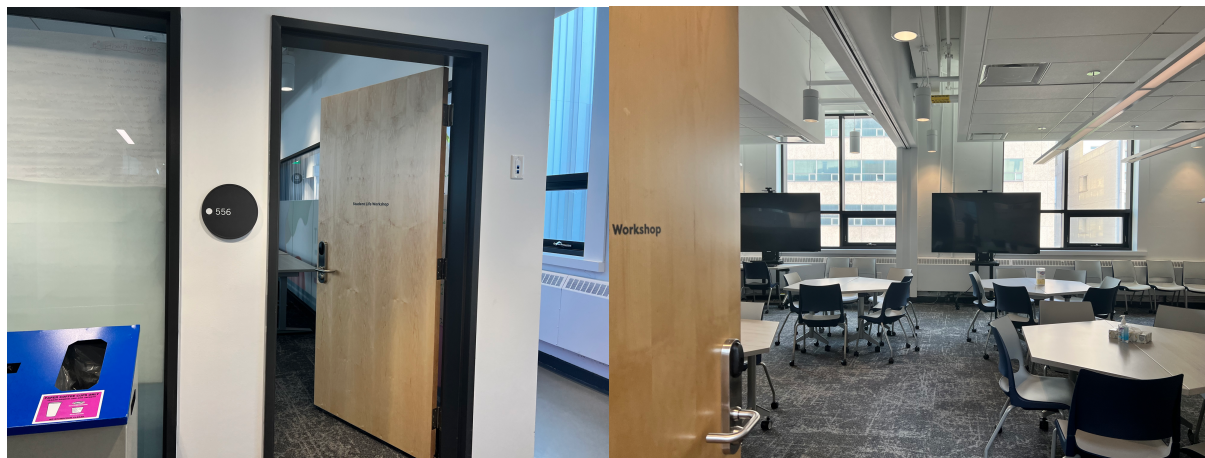

3. Enter the elevator and press the fifth floor (5) button.

4. Exit the elevator and pass through doors straight ahead. From the stairs, you will be just in front of the door you'll need to enter. The door will have a label next to it that says "Floor 5 Stair C" as pictured below.
